**SPECIAL MEETING MINUTES**

March 27, 2018 Work Session

Present: Trustees Dan Frederick, Mike Shover, and Jerry Nickoli, Fiscal Officer Zach Rospert, and Sean Sprouse, Registered Employee Benefits Consultant from PEBA (Public Employee Benefits Association).

Chairman Frederick called the work session to order at 1:00 pm for the stated purpose of gathering information regarding the upcoming renewal of the Milan Township health care benefits program.

Sean Sprouse proceeded to explain the general differences among the various health care programs available for township use and specifically explained the details of our current health care coverage. He stated that our current plan will no longer be offered by AETNA, our current provider. He then offered a comparison of key benefits and associated costs for a PEBA recommended Option with HRA provided by Medical Mutual for further consideration by the Trustees.

All present participated in a lengthy discussion about the many important factors to be considered in determining which type of plan would be in the best interests of Milan Township including our employees, elected officials, and taxpayers. As many questions remain and much further discussion is needed, no action was taken.

With no other business before the Board, the work session was adjourned at 2:30 pm.
