**PROCEDURE FOR APPLICATION FOR FILL OF LAND IN  
MILAN TOWNSHIP, ERIE COUNTY, OH**

The following is the procedure for request for permission to fill on land located within Milan Township, Erie County, Ohio:

1. A request is made in writing to the Milan Township Board of Trustees. The following information shall be included with this request:
  - a. A topographical study of the land to be filled.
  - b. A topographical study of the land as it will appear after fill is in place.
  - c. An affidavit in which states the content of the fill to be used in the area.
  - d. A copy of the section of the Erie County Map on which is depicted the area to be filled. This copy shall also show the roads and adjacent property owners in the area.
  - e. A completed Milan Township Application for Zoning Certificate form and fee.
  
2. This information shall be provided by the applicant to the following agencies *prior* to submission to the Milan Township Board of Trustees:
  - a. Erie Soil and Water Conservation District
  - b. Erie County Health Department
  - c. Erie County Engineer's Office
  - d. The authority in whose jurisdiction the roads in the area are located
  - e. Erie Regional Planning Commission (if property is located with a flood plain, ERPC as County's agent concerning Flood Districts will determine the feasibility of placing any obstructions within the flood way.)
  
3. Based on the information received and the studies provided by these agencies, a determination will be made by the Trustees regarding issuance of a permit.
